## ARCHIVIST AND INFORMATION SCIENCE PROFESSIONAL

[hello@something-treasured.com](mailto:hello@something-treasured.com) | Potsdam, NY

### PROFESSIONAL SUMMARY

I am an archivist with expertise in cultural heritage photography and digital archives. I focus on serving individuals as well as small and medium institutions to preserve their community memory. My work in small institutions has resulted in a wide range of experiences including collection management, records management, facility management, digitization, public outreach, and instruction. My superpower is a love of learning that allows me to tackle any project I face given resources and a little time.

### EDUCATION

**Simmons College**, Boston, MA 09/2016 – 05/2018

*M.L.I.S. in Archives Management*

- Studies centered around the organization, care, and management of archival materials (analog and digital), records management, and providing access to these materials through the creation and maintenance of discovery tools

**SUNY Potsdam**, Potsdam, NY 08/2012 – 05/2016

*B.A. in History and Mathematics, General Honors, summa cum laude*

Minor: Museum Studies

- Studies centered around public history, museum, and archival work including conducting oral histories, conducting research with primary sources, curating exhibits, and the management and use of local history collections

### PROFESSIONAL EXPERIENCE

**Something Treasured**, Potsdam, NY

ARCHIVIST, CONSULTANT, CULTURAL HERITAGE PHOTOGRAPHER, OWNER 2024 – Present

- Provide instruction for individuals and institutions about archival practices for physical and digital preservation of their materials
- Collaborate with clients to assess and create work plans for their materials
- Perform collection care tasks, for physical and digital collections, on behalf of clients including inventory creation, accessioning, rehousing, processing, collection database management, and discovery tool creation
- Consult with clients about planning and management including policy development/updates, facility care (pest and environmental), disaster planning, and outreach efforts
- Digitize archival and special collection materials

**Occidental College, Special Collections and College Archives**, Los Angeles, CA 09/2022 – 07/2023

ARCHIVIST

- Provided leadership to the College in matters of records management, historical records retention, and transference to the department
- Served as primary point of contact for the College archives, providing reference, consultation, and instructional services for internal and external constituencies
- Served as key point of contact between donors and the College
- Selected, acquired, arranged, described, digitized, preserved, curated, and provided access to archival materials in various formats

- Recruited, trained, and supervised student assistants and interns
- Assessed and maintained the collection management database, digital files, and administrative records
- Researched and developed a digital asset management strategy for the department
- Created/updated policies, workflows, and procedures for collection management to provide consistency, accuracy, and discoverability
- Managed College's records management program as it pertained to the department including maintaining policies, procedures, departmental relationships, and schedules for ingesting, managing, and providing access to college archival materials in multiple formats
- Co-instructed sessions for information literacy and primary source research
- Conducted outreach, developed relationships, and nurtured existing partnerships with the local cultural heritage community partners and served as lead in creating and managing community-based projects and programs
- Engaged in interpretive projects designed to showcase collection materials such as exhibitions, programs and presentations
- Committee Service: Digital Archive and Institutional Repository Working Group, Digital Archive Working Group, Communications Committee

#### Special Projects

- Researched, developed, and established a digital asset management program
  - Advocated for and presented need, research, and solutions to College leadership
  - Piloted and tested multiple platforms working with vendors and archive peers along the way
  - Secured annual funding (\$21,000/yr) from the College
- Provided leadership to the College in matters of records management, historical records retention, and transference to the department

#### **North Andover Historical Society, North Andover, MA**

01/2021 – 07/2022

##### **CURATOR & ARCHIVIST**

- Ensured proper physical care, handling, display, storage, and preservation of the permanent collection
- Served as the key point of contact between donors, lenders, community groups, and the Society
  - Co-Instructed Workshop for Andover Memorial Hall Library Genealogy Club
  - Archival consultations for care of North Andover Garden Club materials
- Assessed and maintained the collections management database, object files, and essential records
- Provided research services for patrons, onsite as well as virtually, and conducted research on their behalf
- Supported use of the collections in exhibitions and educational programming
- Provided "how to" instruction for the care and use of special collections, as requested
- Created content for Society publications and digital platforms: social media and website
- Recruited, trained, and supervised interns and volunteers

#### Special Projects

- Upgraded collection management system including clean-up of data and creation of workflows for consistent entry and discovery

- Relocated the Society's collections to new facilities which included designing the new spaces, collection inventory, packing, and secure transport
- Implemented a digitization program including equipment, workflows and training
- Exhibit curation
  - "North Andover Art and Artists", 2022.

## **Northeast Document Conservation Center, Andover, MA**

06/2018 – 11/2021

### **COLLECTIONS PHOTOGRAPHER**

- Digitally captured archival and special collection materials using high quality, medium format camera systems
- Performed post-capture image adjustments such as rotation, cropping, neutralizing color, stitching oversized materials, digital restoration, inverting and enhancing tones/contrast in transparent materials as needed
- Rehoused special collections and captured metadata, as requested by the client
- Designed/managed projects, tracked project status, and submitted daily production reports
- Performed quality control checks of other photographers' work
- Trained new hires on imaging systems and software

### **Special Projects**

- Introduced standardized documentation for project workflows and image capture procedures, in collaboration with colleagues, to ensure a consistent and high-quality product
- Maintained technology within department: system backups, upgrades, provided technology support to colleagues

## **Massachusetts Center for the Book, Boston, MA**

01/2018 – 05/2018

### **PROGRAM ASSISTANT FOR DIGITAL INITIATIVES**

- Created trails for the discovery and promotion of literacy across the state of Massachusetts for Mass Book Trails website and app
- Built walking tours in collaboration with Massachusetts libraries for use by patrons, community members, and tourists that are available through Mass Book Trails website and app

## **John F. Kennedy Library Foundation, Archives Processing Unit, Boston, MA**

05/2017 – 08/2017

### **ORAL HISTORY INTERN**

- Digitized oral history transcripts and assigned metadata for each
- Created an oral history packet for each interview containing administrative information and transcript
- Researched access and use restrictions for each interview
- Uploaded contents to website based on deed of gift information

## **New England Historic Genealogical Society, Boston, MA**

09/2016 – 11/2016

### **PROCESSING INTERN**

- Organized, arranged, and processed a family collection
- Created a finding aid for the processed collection

## **Potsdam Public Museum, Potsdam, NY**

01/2016 – 05/2016

### **MUSEUM STUDIES INTERN**

- Created a cemetery record database for the township of Potsdam

- Curated an exhibit based on my cemetery research
- Attended a professional conference

**Chateaugay Historical Society**, Chateaugay, NY
